Your experience with It's Your Choice for 2020

ACE Board members heard from some retirees that they found the It's Your Choice enrollment for 2020 somewhat confusing. If members have

suggestions for Employee Trust Funds on how to improve the process for next year, ACE would be happy to share those with ETF.

Do you have suggestions on how to improve the booklet *It's Your Choice: Health Benefits Decision Guide*? Was there a particular section you found confusing?

Do you have comments on your experience using ALEX, the virtual benefit counselor?

If you contacted a specific health plan to get answers to your question, were you satisfied with the information you received? If you participated in a conference call or meeting about a specific plan were your questions answered?

If you contacted ETF about It's Your Choice, were the staff able to answer your questions?

Please email any responses to ace@wiscow.com.

Celebration of 114th Anniversary of Civil Service

ACE frequently works with the Coalition to Save Civil Service to pay tribute to the birth of Civil Service in Wisconsin, which was June 17, 1905. In 2019, the 114th birthday, the Coalition chose to do a major event at the Madison Central Library with speakers reflecting the past history and present circumstances of civil service. The event was well attended and very important information was shared. Jim Thiel created a presentation to guide the speakers, which ACE board members thought should be shared with ACE members. (See link below)

ACE will likely begin planning for another event for this year or next. Please share your thoughts and comments about what content would be useful to explore. Also, if there are specific areas that ACE should be working on in relation to civil service, please let us know.
