ACE Annual Meeting

Join us via Zoom on August 24 at 4:30 p.m.

The Association of Career Employees Board invites our members to join us for an annual meeting to be held via Zoom on August 24. ACE has continued to work hard on a number of important issues and board members would like to provide an overview of these and ask for comments from members. You will be receiving another email with the Zoom details.

You can introduce yourself and let us know what is important to you and what you would like us to work on in the future. This is an especially good time for members outside of Madison to talk to us.

Jack Lawton will talk about his deep dive to analyze “The Continuing Erosion of State Government” (the subject of the May newsletter) and answer questions about the data and information regarding attacks on the powers of the executive branch.

We will also discuss our continuing efforts to shed light on the importance of and the status of the civil service system. ACE worked with the Coalition to Save Civil Service once again to celebrate the 115th anniversary of the Civil Service System on June 17, 2020. We were successful in getting the word out about the anniversary through a variety of methods and media.

Thank you to Barbara Smith from the Coalition for all of her hard work on this effort.
